

Activities

We offer a range of activities for the children to enjoy inside and out, and these are tailored to children's ages and abilities. These include board games, jigsaws, arts, and crafts. We also have role play toys and a reading area.

Our outdoor activities include football, rounders, den building, skipping and tennis.

Homework and reading

Allesley Blue Bird staff are happy to assist children with completing homework or reading tasks, providing them with space and support when they need it.

Behaviour

We have a club promise to provide boundaries and set clear expectations to all children.

We also have a 'Star of the Week' every Friday where children can receive a certificate and prize. This, promotes and rewards positive behaviour.

Safe practice

Health, safety, and safeguarding are an essential part of Allesley Primary School practice. All school policies will be adhered to. All activities will be delivered in the context of Health, Safety and Safeguarding guidance.

The Bungalow

Our younger Blue Birds from nursery to year 2 are cared for in our bungalow which is a safe contained space with an amazing outdoor area.

This gives the children opportunities to enjoy the outdoors all year round.

The Dining Room

Our older Blue Birds from year 3 to year 6 are cared for in our spacious dining hall. This provides an excellent environment for activities indoors and they also have access to our playground, woods and extensive fields.
