Dear Parents, Carers, Children and Staff,

I would like to welcome you all back; it has been so lovely to see everyone return to school. We are so excited to meet all our new Nursery and Reception children over the next few weeks and we know that they will be given the very best tender love and care as they all start their learning journey with us at Allesley. I would also like to send a huge thank you to all the parents, grandparents and friends of Allesley who sent me so many lovely messages over the summer, I really appreciated all your kind words it really meant a lot. It is so lovely to be back with you all and I know it will be another busy but more importantly fabulous year at Allesley!

Today, Friday September 8th 2023 marks the first anniversary of Queen Elizabeth II's death, after she passed away following 70 years on the British throne.

The late Queen Elizabeth II wasn't just another queen - or any old monarch - she was, around the world, known as THE Queen. An icon in territories across the globe, having reigned for a historic 70 years, meant that the late Queen was a constant, uniting different generations. This is perhaps why her death on September 8th, 2022, sent shockwaves around the world. The late Queen's state funeral was watched by millions and many will be thinking of her today on the first anniversary of her passing.

Huge congratulations to two members of staff here at Allesley. Miss Russell got married over the summer in sunny Las Vegas, she is now known as Mrs Sabino. Mr Kates also had a great summer welcoming his beautiful baby daughter Daisy into the world. Massive congratulations to them and their families.

Have a lovely weekend,

L Hoey

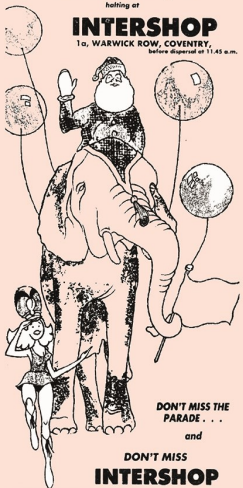

Headteacher

Rosie's

Retro Bazaar

Have organised a fabulous free event for Coventry Heritage weekends, featuring a building steeped in history but unfortunately soon to be demolished.

It starts with a Grand Parade on **Saturday 9th September at 11.00** children are very welcome to join in. **Sunday 10th September at 12.00** we have a visit from Ken & Barbies, so selfies at the ready. Lots of fun will be had to mark this memorable occasion.

Rosie's Retro Bazaar presents

9th & 10th + 16th & 17th September 2023

intershop

festival with LTB

Indoor Market

Hot Food and Drinks

History Tours

Live Music and Family Entertainment

Craft and Vintage Stalls

INTERSHOP IS BACK!

The original store was renoun for "20 different shops under one roof", and we'll be bringing together 20 different independent and local traders in nods to the past and the creative culture of today's Coventry. Celebrate the building's history for the final time.

Celebrating our week

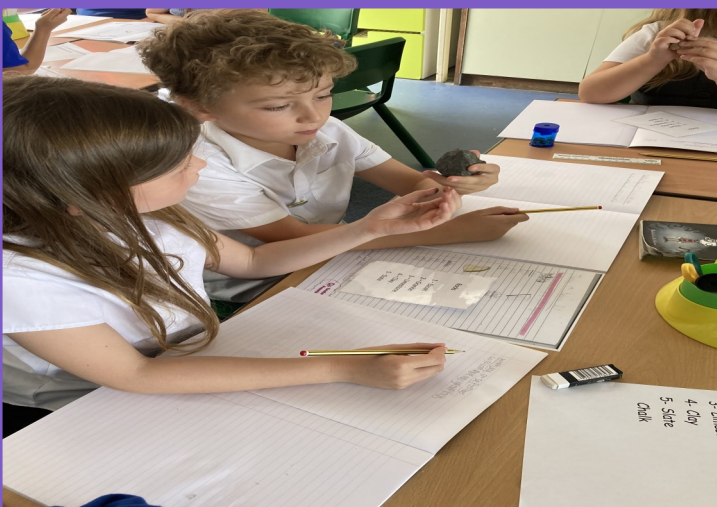

This week in **Year 2** science we recapped what we learnt in year one and identified everyday materials. We had a walk around and outside of the classroom to look at whether objects were manufactured or made from natural resources.

Year 4 spent a lovely, sunny afternoon in the woods creating art work around our school values based on The Dot. Working in teams, we used natural resources from the woods to create our designs.

Year 6 have been learning about living things. They understood that the method of arranging the organisms into groups is called classification. They explored deeper in the school woods to see what lived in that habitat. They observed each one to see their characteristics closely.

As scientists, **Year 3** have been describing, sorting and grouping different rocks.

In **Year 1**, we went on a walk around the school grounds to see if we could spot any signs of summer.

On our first day in **Year 5** we took part in an icebreaker on the playground to spell out "Team".
