# Newsletter

Dear Parents, Carers, Children and Staff,

Newsletter Date: 15/09/2023

We have had a really busy week here at Allesley. We have started having our awards assembly this week and it has been wonderful to celebrate the children's achievements with them. I am so proud to hear how the children have settled in and are embracing their learning with such positivity. A lot of the teachers from across the school commented on how the children have drawn upon our school values of honesty, positivity, perseverance, respect, compassion and independence in their learning and their play which is so lovely to hear! I am also really looking forward to reading letters from Years 5 and 6 who wish to become a House Captain, good luck to all who would like this role, but remember there will be other student leadership roles coming up very soon!

**Casual Lunchtime Supervisor:** we are looking to recruit a casual lunchtime supervisor in September to join our friendly team. If you are interested in the position please contact the school office for more information.

**MCAS App** all new parents should have now received the link to activate the app. Please contact the school office if you have not received the link.

**Reception classes** we would like to invite you to attend our Reading and Writing information session on Wednesday 27<sup>th</sup> September at 4.30pm. This will be an opportunity for us to discuss with you how we teach reading/writing here at Allesley and what you can do to support your child at home. The session will take place in the hall so please arrive through the main office entrance on Antrim Close. For anyone unable to attend the session we will upload the information to our class page on the website. Thank you for your continued support,  
Miss Dunn, Miss Keay and Mrs Sharp

# Celebrating our week

**Reception** children have had a fantastic week settling in and being so busy! They have really enjoyed making lots of new friends, have been fantastic at learning new routines and what to do in Reception classes. They have been excellent at being busy learning - we are so proud of how well everyone is doing!

As **Historians**, this week **Year 3** have been working together to understand timelines. They have been discussing the meaning of BC and AD and using it to help them to order periods and events in history.

In **year 1**, we have been learning our red sounds and have been working really hard in our phonics packs. Our teachers have been so proud of us.

In **Year 4** we launched our new English unit with a Tudor banquet. **Lord Severn**, our very special guest joined us in the banquet hall.

**Year 5** sang Shosholoza, a traditional African folk song, in Music this week. We enjoyed the 'Dig,dig,dig' part enormously.

This week in **Year 2** we really challenged ourselves in maths with partitioning numbers.

**Year 6** were experimenting with sculpture. They thought of abstract representation and literal presentation of themselves and used mixed media. We are so impressed with their creative thoughts and realisation.
