Dear Parents, Carers, Children and Staff,

We have had a very exciting week here at Allesley. We were delighted to welcome a special visitor and show off some of the amazing things that happen at our school. I couldn't be prouder of all the children as they well and truly blew his socks off with their positive attitude to school life. I am also very proud to say that our special visitor experienced a very honest and true reflection of our school, children and staff. I would like to take this opportunity to thank so many of our parents who also shared their views of our school, our visitor said he had never experienced such a positive response by so many, so a huge thank you to all of you who took the time to share your views. As a staff we are all extremely proud of our school and will always go above and beyond to give the children who we are lucky enough to have in our care the very best experiences at our wonderful school.

**Save the date!** PTA Halloween Disco on Thursday 26th October, the Jaguar Social Club. This popular event always sell out - so set your alarms: entry wristbands go on sale at 6pm, Monday 2 October, <http://www.pta-events.co.uk/Allesleypta>

**Casual Lunchtime Supervisor:** we are looking to recruit a casual lunchtime supervisor in September to join our friendly team. If you are interested in the position please contact the school office for more information.

**MCAS App** all new parents should have now received the link to activate the app. Please contact the school office if you have not received the link or are having problems accessing the app.

**Reception classes** we would like to invite you to attend our Reading and Writing information session next Wednesday 27<sup>th</sup> September at 4.30pm. This will be an opportunity for us to discuss with you how we teach reading/writing here at Allesley and what you can do to support your child at home. The session will take place in the hall so please arrive through the main office entrance on Antrim Close. For anyone unable to attend the session we will upload the information to our class page on the website. Thank you for your continued support, Miss Dunn, Miss Keay and Mrs Sharp

Have a lovely weekend,

*L Hoey*

Headteacher

Whole school 96.13%!

Our school percentage is above the National average

Poppy's thought of the week...  
 Its lovely to see new faces  
 and have important  
 visitors but its also great  
 to have the place back to  
 myself to paw's for  
 thought...

# Yoga

George J Year 1      Molly B Year 5  
 Ian-Borg C Year 1      Radvin T Rec  
 Mabel H Year 1      Solomon R Year 4  
 Archie H Year 3

# Celebrating our week

**Year 1** have been fantastic artists this week and have created and under the sea picture using different line techniques, whilst listening to music.

In music the children in **Year 5** have been learning chords and chord progression. We had a great time!

This week, **Year 3** have enjoyed exploring Ancient Egyptian art and learning about how and why it was created. They recorded what they noticed in their sketchbook.

We have been so busy in **Reception** this week, we have enjoyed so many activities and lots of outside learning. Here we are trying to balance the buckets of bricks by putting in or taking out bricks. We knew if the bucket was down on the floor that that bucket was the heaviest and the one in the air was the lightest. We also enjoyed seeing if the same happened if we used water instead of bricks.

**Year 6** had an incredible experience with a on Greek Day. They learned so much about Ancient Greece and had the opportunity to bring stories to life and learn more about the Greek ways through their wonderful imagination. Lauren taught them a great deal about this wonderful portal to the past.

In science **Year 4** went to the woods to investigate vibration. We used a range of jars to see which created the most vibration.

The children are settling in really well at **Nursery** and enjoying lots of different fun activities, here we are playing with play dough, taking turns playing board games and lots of creating our own pictures using glue and tape to stick and join.

**Year 2** have been practising fluency and fast number facts. We loved learning about 5 and his friends.
