Celebrating our week

This week we have started learning about Autumn in **Reception**. We used our fine motor skills using tweezers to pick up the natural objects found in Autumn and used our maths skills to sort them by type!

This week in English **Year 3** played a game in teams where we had to identify the missing conjunction.

In **Year 2** we created abstract maps using a stained-glass effect! We used cellophane and tissue paper on a plastic wallet. Come visit our classroom window to see our designs!

Year 5 sang Shosholoza, a traditional African folk song, in Music this week. We enjoyed the 'Dig, dig, dig' part enormously.

Year 1 have been looking at information texts and thinking about important information all about us.

Year 4 have been using body percussion to perform a boom, clap, click sequence and play in time with a partner. They can describe a piece of music referring to tempo, dynamics, texture and structure.

'Engage' have been coming into school to teach the **Year 6** classes. They have had classroom sessions alongside practical rugby sessions. The objective this week involved managing their emotions. They got to demonstrate through role play and group discussions. They spoke openly and shared their ideas.

In **Nursery** this week we have enjoyed re telling the story Brown Bear Brown Bear What Do You See? We have used the stick puppets characters and it has helped us to remember our colours.
