Celebrating our week

Year 6 have been creating their assemblage art this week and making sculptures to go into their boxes like the artist Joseph Cornell - we have some very talented children.

There was an air raid in **Year 5** this week, we had to calmly shelter under the tables when the siren sounded. We waited for the all clear siren, so we could carry on with our lesson!

This week in French lessons the children in **Year 3** have been learning how to ask and answer the question What is your name?

In **Nursery** we had a walk around the school grounds and to the woods for our Autumn walk. We enjoyed kicking the Autumn leaves and gathering conkers and acorns like a squirrel.

Reception children have enjoyed finding different ways to move our bodies this week in P.E. We moved around the hall walking, running, changing direction, jumping skipping and hopping (this was quite tricky but we all tried hard). Also balancing on one foot and then the other - this took a lot of concentration!

In **Year 1** this week, we have been working on adding texture to our drawings. We used different types of lines and shading to draw fruits.

Year 4 completed their rugby coaching course, culminating in an exciting final between the Blues and Greens. The Greens just took the lead, resulting in a 3-2 score. Everyone thoroughly

Year 2 enjoyed jumping from apparatus and practising balancing in their PE lessons.

enjoyed themselves and exhibited the disciplines they have been learning over the last few weeks.
