Newsletter

Dear Parents, Carers, Children and Staff,

Newsletter Date: 10/11/2023

We have had a wonderful first week back after the holiday here at Allesley. All our children have settled back into their learning and are having a lot of fun too, which is lovely to see! This week I have had the pleasure to have seen so many children from across the school who have shown me their work which has been completed over the holiday. I was amazed at the amount of time and effort the children have put into their homework. I am so proud of them all, a huge well done to each and every one of you!

Our new school menu is now up and running and our children have enjoyed trying some of our new additions to week 1, week 2 starts next week and we're sure Mondays choice of an all day breakfast will be a success. Our new menu and the allergen lists have been sent out on the my child at school app and is available to view on our school website.

Christmas raffle tickets still on sale! Huge thanks to all the local businesses and parents who have donated these amazing prizes. Tickets cost £1 each. Please let the office know if you need anymore tickets, return ticket stubs, payment and any unsold tickets by Friday 1st December. The raffle will be drawn on Monday 4th December and winners will be contacted that week. Any prizes which aren't claimed by the end of term will be used for future PTA fundraising activities. All money raised will help support school projects, through the PTA. See page 2 for the amazing prizes you could win!

Thank you! for your generous donations for our non uniform day before half term! We raised £221.55 for Eamonn O'c from Year 3 on behalf of Coventry City Mission.

PTA Annual General Meeting is on Wednesday 15th November, 3.30-4.30pm. Everyone is welcome - children can watch a film while the meeting takes place. We will be planning the year ahead including fundraising activities and targets. We will also be electing our Chair, Secretary and Treasurer for the year. If you're interested in becoming any of these roles then look at the PTA Facebook page for more information.

Our Christmas fete will be on Friday 1st December, 3-5.30pm! It's a huge team effort with parents, carers and staff from across the school helping to welcome the community and make it fun, festive and memorable for the children. We need volunteers to help set up, run stalls and pack up at the end. Children are very welcome to get involved too. **Please complete our short form to let us know how you can get involved. Any time you can give is massively appreciated** <https://forms.gle/iwbqHSrMw2KxxXGu6>

School Photo's Individual and sibling photographs will take place in school on **Wednesday 15th November.**

Have a lovely weekend,

L Hoey

Headteacher

Generously Supported by Amazon

For this term the dates are-
November 17th & 24th

Yoga

Poppy's thought of the week...

Halloween was so exciting but most of all I loved Bonfire night because I really enjoyed the silent fireworks as they didn't scare me

Celebrating our week

Year 6 explored musical concept of theme and variation. They explored different rhythms and showcased their learning to their peers.

This week in Year 2, we have been learning about features in a non-fiction text. We will be using certain features to help us write our non-chronological reports!

This week, Year 3 enjoyed taking part in a Skint2mint workshop where they learnt about the value and history of money.

Year 1 have been enjoying the story of 'Mr Gumpy's Motor Car' in English. The children have enjoyed thinking about journeys people make.

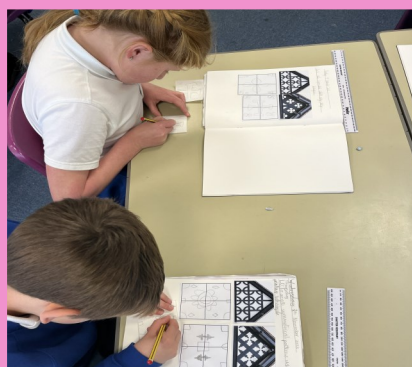

In Nursery we spread jam onto bread then rolled it like a sausage roll then cut it into pieces to make Catherine wheel fireworks.

This week Year 5 were evacuated to Devon as they are going to be writing a diary entry on the experiences of an evacuee.

Today, Year 4 began to design their own symmetrical printing pattern, inspired by the Tudor architecture.

In Reception we have had a very creative time making different firework pictures, we've made marks in the sensory bags. We've talked about the sounds the fireworks make and used our phonetic knowledge to write out some of the sounds.
