Newsletter

Dear Parents, Carers, Children and Staff,

Newsletter Date: 24/11/2023

I have had the pleasure of meeting with all the teachers this week in 1:1 meetings. I was delighted to hear how pleased the teachers were when they shared how well the children had settled and adapted to their new routines in their new year groups since September. We have had a great start to this academic year and we are looking forward to what the rest of the year will bring. We are already in the Christmas spirit and are looking forward to the Christmas Fete next week.

Next Friday 1st December school will close at the slightly earlier time of 3.00pm as we will be holding our school Christmas Fete from 3pm–5.30pm. The after-school bluebirds wraparound service will take place as normal but the children will use a different part of the school

Coats please can we ask that children bring a named warm coat to school its getting colder and it can get quite windy on the playgrounds during break and lunchtimes.

Christmas raffle tickets still on sale! Huge thanks to all the local businesses and parents who have donated these amazing prizes. Tickets cost £1 each. Please let the office know if you need anymore tickets, return ticket stubs, payment and any unsold tickets by Friday 1st December. The raffle will be drawn on Monday 4th December and winners will be contacted that week. Any prizes which aren't claimed by the end of term will be used for future PTA fundraising activities. All money raised will help support school projects, through the PTA. See page 2 for the amazing prizes you could win!

Thank you for all your kind donations today for Children in Need last Friday we raised an impressive £452.97!

Have a lovely weekend,

L Noey

Headteacher

Children all thorough school have been busy learning their lines and songs for their upcoming Christmas celebrations which are sure to be very exciting and festive!

Happy Birthday

Celebrating our week

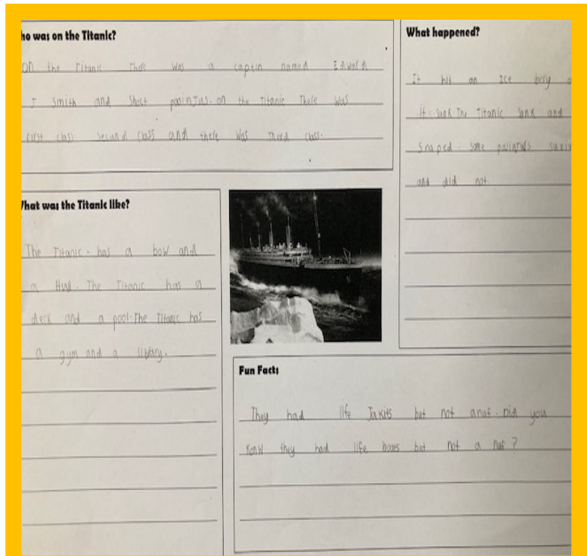

Over the past two weeks, year 6 have been investigating the effect of voltage (the push) and resistance (difficulty) in electrical circuits. They have thought creatively how they were to find results.

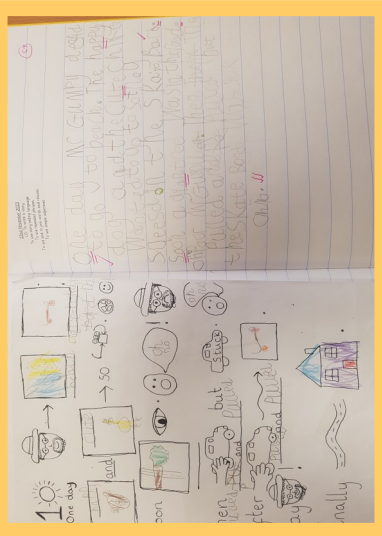

As an introduction to our new science topic of forces, the children in Year 5 carried out an experiment involving chopsticks and jelly to test whether adding oil to the jelly reduced or increased the friction.

In Nursery we have been finding out about birthdays. We role played having a birthday party, sharing out the cake counting the candles and singing Happy Birthday.

In Reception we have been reading the story of Stickman and have done lots of activities based around it. Here we have used accurate counting out (and remembered to stop) the right number of sticks to match the numeral on the stickman card.

Year 1 have worked so hard this week, they have listened to the story of Mr Gumpy & planned out and rewritten their very own version!

Year 2 have worked hard to research, plan and write non-chronological reports about The Titanic.

This week, Year 3 have enjoyed publishing their Howard Carter diary. Congratulations to Ali, Brody, Orla and Isla who received handwriting achievement awards for their hard work this term.

Year 4 launched their new topic on how to give instructions. They gave their teachers some very interesting variations on how to make a cup of tea!
