Dear Parents, Carers, Children and Staff,

The countdown to Christmas is officially on! We can hear Christmas songs being sung up and down the school corridors... Primary schools really are the most magical place to be at Christmastime. We have decorated the school ready for our Christmas celebrations and we are busy today preparing for our Christmas Fete. It is always a busy time in school, with lots of hard work being put in by our staff and the PTA. It is always great to see the community come together for the festivities and ultimately to support the PTA in raising money for much needed resources across school. We hope you have been able to join us, and we look forward to seeing you all over the coming weeks when the children will be entertaining you and sharing the Christmas spirit.

**Sssshhh Room**—Following the massive success over the last few years, we have decided to once again open up the 'Sssshhhhh Room' for the children to visit during December. For this to happen we, once again, need your help! Next week we will be holding a 'Donation Day' where we are asking for items for the Sssshhhhh room. You should have received a leaflet with full details yesterday. All of the children will have an opportunity to visit the 'Sssshhhhh Room' and buy gifts for the important people in their lives. They will be able to choose, wrap and label up their gifts ready to bring home and put under the Christmas Tree! Each year group will have a slot to visit the Sssshhh room over the next few weeks. Gifts will be £1 or £2 each, further information will follow next week of your child's allocated day, please send in an envelope with your child's gift money. On the envelope please write your child's name, and a

Children all through school have been busy learning their lines and songs for their upcoming Christmas celebrations which are sure to be very exciting and festive!

## Happy Birthday

# celebrating our week

In Nursery as part of our birthdays theme we made a big birthday cake. The children painted it then wanted to add cream, sprinkles and candles so we did.

It looks great!

## Reception

We have been very busy this week practicing our nativity but we have also enjoyed getting outside too. We found a big construction kit and had a great time making it into all sorts of things including a house with windows but when we added a flag it ended up being a pirate ship!

Year 2 have been getting into the festive spirit by making

Christmas decorations for the Christmas fete.

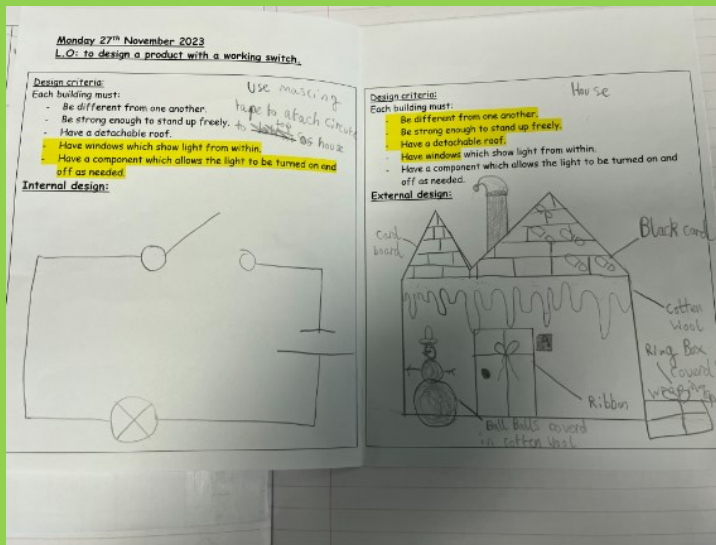

This week year 1 started looking at invitations. What better way to introduce our new unit then being invited to a teddy bears picnic!

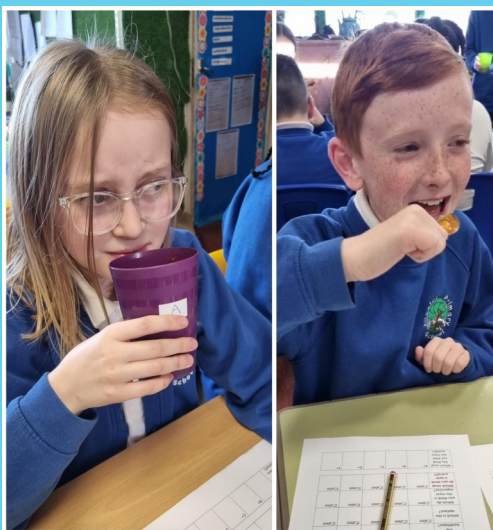

This week, in science, Year 3 demonstrated the digestive system.

It was very messy!

Christmas has begun in Year 4 science. To support our Electricity Topic we are designing Christmas houses that will include simple circuits.

Year 5 have been trying and rating a variety of different soups in our D&T lesson to determine what makes a good healthy soup. We used what we have learnt and put together a soup recipe they may have used in WW2 with the rations and vegetables they may have had.

Some of our years 5 & 6 boys played a Harry Shaw Cup football match against John Shelton Primary School on Tuesday. The boys showed a great sporting attitude and really worked well together, which was important as this was a new experience for some of the team. Through their team work and perseverance they managed to secure an 8-3 win and will now progress into the next round of the competition. Well done boys!

Our fantastic children in Year 6 have written superb discussion texts and shared them with each other and Mrs Hoey - who brought everyone a little treat as they had done so well! All discussions were the children's own chosen, so they were all interesting and varied - very well done!
