Dear Parents, Carers, Children and Staff,

Another lovely finish to a busy week here at Allesley! Last Friday, we had a football match where our amazing Allesley girls team won 4-0 against Holbrook's! What a great game girls! Our boys team also played Holbrook's and, although they lost 3-2, they gave it everything and showed super sportsmanship and teamwork. This week has been Children's mental health week, so Mrs Smith, from Year 2, led assemblies for the children around looking after themselves and each other.

Cake sale next Thursday 8th February 2024 we will be holding a cake sale. This will take place during the school. Cakes will be sold for between 20p & 50p each. Please send monies (in a named envelope) in with your child/children on the morning of the sale. ** Donations of Cakes Needed!** Please send into school from next Monday.

PTA pre loved uniform we are running short of larger sized Allesley jumpers, cardigans and hoodies for their pre loved uniform shop. If you have any good quality items that your children have finished with, please donate them by leaving them in the school entrance or at the office. Thank you.

Bluebirds - we are looking to recruit a new member of staff to join our friendly team. If you are interested in the position please contact the school office for more information.

Year 3 Romans Workshop & Year 4 Saxons Workshop we have organised 'Portals to the Past' to come into school to deliver a Romans & Saxons Workshop for the children in Years 3 & 4. During the all-day visits, the children will have the opportunity to take part in a variety of exciting and interactive activities. We would love the children to dress up in Roman & Saxon costumes to really get into character. Please find below the dates and costs of the workshops.

Year 3 - Romans Workshop, Tuesday 20th February 2024. Cost: £7.50, payment deadline Monday 5th February 2024

Year 4 - Saxons Workshop, Tuesday 12th March 2024. Cost: £9.00, payment deadline Monday 26th February 2024.

Can we please ask that payment is made via the 'My Child At School' online payment system

Have a great weekend

L Hoey
Headteacher

nexus
fostering

You have what it takes for a rewarding career in fostering

- Your everyday experiences and skills are transferable into a foster carer role, from providing emotional support to teaching life skills.
- We offer many different types of fostering roles, including short-term, parent & child, therapeutic and long-term.
- Our fostering roles are suitable for individuals, couples, or families from all walks of life. All children are different, so our foster carers are too.
- Be part of our professional team and receive our ongoing comprehensive training.
- Receive generous fostering allowances, benefits and tax relief.

As a foster carer, you could provide a safe and stable home environment for a vulnerable child whilst enjoying a flexible and rewarding career that's literally life changing.

Celebrating our week

This week in science, **Year 4** experimented with coloured ice cubes to recognise that some materials can change state. After leaving 2 ice cubes in the classroom for half an hour, we noticed that the temperature had increased and the ice had melted and made a puddle of water.

Year 6 have produced some wonderfully original stories based on the story Flotsam. They shared their stories with Year 5 and now they look absolutely fantastic on display.

In **Reception** this week we have been learning all about Chinese New Year, we have had lots of activities to help us learn the story, labelling the animals, writing about our favourite animal from the story, making 2d shape dragons, playdough dragons and tissue paper lantern pictures.

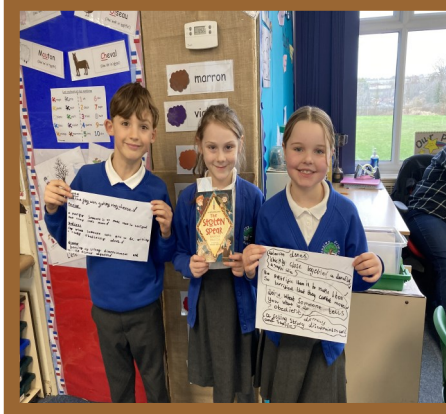

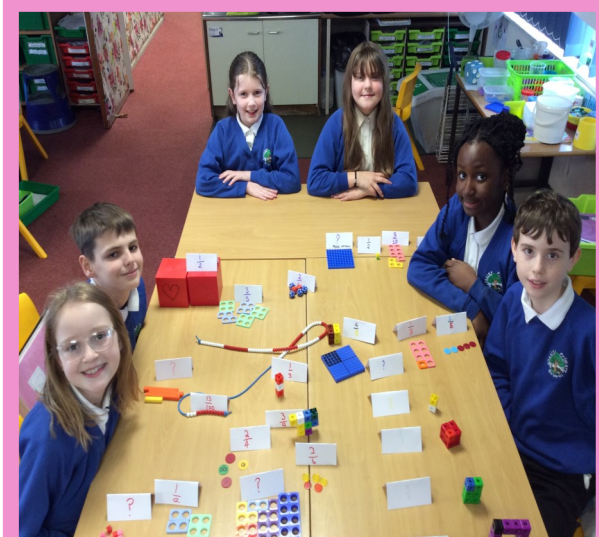

Year 2 have had so much fun retelling a familiar using story language. We can't wait to invent and write our own stories next week using all the grammar we have practised this week!

In **Nursery** we played some team games, the children did well following the instructions then they won a gold star medal just like Zog!

Year 1 have been working really hard at recognising plural words this week. Turning singular into plural. We played a fun game to help us practise.

This week, **Year 3** have enjoyed using dictionaries to find out the meaning of unfamiliar vocabulary in our new book talk text 'The Stolen Spear.'

Year 5 created fraction exhibits in a fraction museum during maths, using a variety of manipulatives. We then visited the museums and shared our knowledge.
