# Newsletter

Dear Parents, Carers, Children and Staff,

Newsletter Date: 15/03/2024

We are delighted to say that our lovely Year 1 children and staff enjoyed their trip to Warwick castle this week despite the gloomy start to the day! All the staff were so impressed with the children's perseverance and positivity even though it was a very long walk from the coach to the castle! Also, a huge well done to all the year 2 Super Stars who took part in the gymnastics competition this week they did us proud.

I am also extremely proud of Nathan E in year 4 who has written a book called 'Ruby don't lie', which he shared with me today. Nathan has had his book published and I am sure will become a very well-known author in no time at all. So, watch this space for Mr Nathan Eze, Allesley Primary School's author of the year!

National Space Centre Year 5 Trip Wednesday 17<sup>th</sup> April during the spring term, the children have thoroughly enjoyed learning about all things space related and, to help consolidate their learning and bring the topic to life, we would like to take them to visit The National Space Centre, which will include a Planetarium Show taking them on a 'Journey Through the Solar System'. This year for the first time we have been given the opportunity to take part in the NXT Mars Rover Challenge, this will involve the children working in small groups and your child will find out more about Mars rover missions, how to programme one of the LEGO NXT robots and then compete in some Mars Challenges!

PTA Bags2School clothes collection for Friday 12th April to help raise money for school projects. Bags2School collect good quality clothes and shoes, plus bed linen, towels and curtains. Please don't include Allesley school uniform. You can donate in any plastic bag. Please bring your bagged donations to school between Monday 8th April and Thursday 11th April.

We are galloping towards the end of the schools financial year and we need to finalise all accounts. Please can you make sure all dinner money and Bluebird payments are up to date on the my child at school app. Thank you.

We are happy to announce the winners of our world book day competition Winners: Nursery - Tilly Mc, Reception - Evan Year 1 - Eleanor Mc, Year 2 - Ellen, Year 3 - Olivia F, Year 4 - Logan, Year 5 - Leo, Year 6 - Milo. Our Winners will be presented with a prize in next week's assemblies. Well done to everyone that entered with their fabulous peg's!

Royal Albert Hall a Year 5 parent is organising transport to and from the event, if you would like more information please contact Mrs Jagatiya on 07799432529.

Class Photo's the photographer from Braiswick Photography will be in school next Wednesday 20th March taking the class and Year 6 leavers photos.

PTA Disco next Thursday 21st March. Spaces are still available at the Jaguar sports and social club. PTA will release the final batch of entry wristbands at 6pm today. Visit <https://www.pta-events.co.uk/allesleypta/index.cfm?event=shop> to buy yours. Entry wristbands will go home with children by Friday 15th March. Please remember to bring yours on the night.

Have a lovely weekend

*L Hoey*

# celebrating our week

In **Year 5** we read the book 'Hidden Figures' by Margot Lee Shetterly and learnt about the four inspiring women who worked for NASA that were unheard of for many years. These women made a huge impact in the world of maths and space after being told they couldn't because of their race and gender. We researched and wrote biographies about their lives.

We had a wonderful time exploring Warwick Castle and learning what life was like in the Medieval times. We are so proud of how sensible and well behaved our **Year 1** children were.

In **Science Year 3** tested different magnets to find the strongest. We were surprised by some of the results.

The children in **Nursery** have been rolling eggs down different sized ramps then measuring whose egg goes the furthest.

Some of the **Year 2's** represented our school at a gymnastics competition this week. They were all amazing and a credit to Allesley Primary. Well done!

**Year 4** acted out the 4 stages of the water cycle in this week's science lesson - Evaporation, Condensation, Precipitation and Collection.

**Year 6** have been finding inspiration for some art work that they are to produce. They have been looking at works from Lubaina Himid and David Hockney and thinking of using some of their ideas to convey a message of importance to them. We are looking forward to seeing what they will produce.
