Newsletter

Dear Parents, Carers, Children and Staff,

Newsletter Date: 26/04/2024

At last, we have some beautiful sunshine, it has been lovely to see the children play on the field and we hope that some of them will be able to eat their lunch outside too before long! We have had some visitors in school over the week who have been very complementary about our staff and children. After one visit this week a headteacher emailed to say how impressed he was with the teaching and learning of maths but also how, *'The children were also an absolute credit to the school. Your school is always so impressive!'*

PTA Coffee Morning, stop for a coffee and a chat in the school bungalow, after drop off on **Friday 10th May**. Find out about fundraising events planned for this term, and see how you could get involved. Hear more about the upcoming Colour Run and Summer Fete and see how the money raised by PTA makes a difference to our school. Feel free to bring younger siblings in with you!

Non uniform day, Friday 10th May please bring in a donation of £1, Harriet from year 4 is raising money for Children with Cancer UK charity, she is climbing Mount Snowden in June and has a just Giving page if you would like to donate more money then please follow this link https://www.justgiving.com/page/harriet-dodd-1706724926582?utm_medium=fundraising&utm_content=page%2Fharriet-dodd-1706724926582&utm_source=email&utm_campaign=pfp-email JustGiving sends your donation straight to Children with Cancer UK and automatically reclaims Gift Aid if you are a UK taxpayer, so your donation is worth even more. Thank you for your support!

Cycle helmets it's so great to see many of our children travel to and from school on their bikes, please can I remind you that cycle helmets must be worn. Thank you.

Flame of Friendship torch relay In preparation for Paris 2024 Olympic and Paralympic Games Coventry schools are participating in the Flame of Friendship torch relay. Coundon Primary will be delivering the torch to us on **Thursday 13th June** at approximately 10:40am. As a school we will welcome the torch's arrival and have a whole school welcoming ceremony on the KS2 playground. Our children will be welcoming the torch with flags and banners to celebrate friendship and unity. It will be a whole school non-uniform day where the children are asked to wear sports clothing. Thursday PM and Friday AM the torch will visit each year group. At 1:15pm the torch will leave us and make its journey to Allesley Hall Primary. This is going to be a very exciting event bringing Coventry children together.

Summer Fete we are looking for stall holders for our Summer Fete, which will take place on Saturday 6th July. If you'd like to have a stall please complete this form [Allesley Primary PTA Summer fete 2024 Stall holders' Booking Form](#)

Have a great weekend

L Noey

Headteacher

Celebrating our week

In Nursery after the children started to role play hair washing in the house we decided to open our own hair salon. The children have been the receptionists, the hairdressers and the customers, they have been washing, brushing, cutting, drying and styling each others hair. Gorgeous!

Reception children were very excited to be invited to visit Year 1 children to hear them read some stories they had written.

Year 1 had the pleasure of reading their stories (based on the story George and the dragon) to reception. We were so pleased with how well they listened to our stories and how much they enjoyed them.

This week, Year 3 have enjoyed learning cricket skills and taking part in lots of different challenges.

Year 6 recapped the story of Macbeth. Here is Banquo's ghost and the avaricious Lady Macbeth. They have begun to learn the very formal subjunctive form.

Year 2 have enjoyed looking at and creating algorithms in computing.

In Science this week year 5 explored the properties of some solids, we used sponges, rocks, cotton, plastic and others to test for flexibility, absorbance, hardness and reflectiveness amongst other tests devised by the children.

As part of their science topic, Living Things and their Habitats, year 4 explored the school woods looking for where creatures live. We found lots of living creatures and examined them u set a magnifying glass.
