Newsletter Date: 22/05/2025

Dear Parents, Carers, Children and Staff,

What a busy half-term it has been for both the children and the staff here at Allesley! We are looking forward to the children returning and hearing all about their fun filled holiday. We know that next term will be extremely busy and are excited have so many family and friends joining us for our 60th birthday celebrations. We hope you all have a lovely break and we hope for sunshine throughout the week.

**Colouring Competition** - we have two sets of family tickets available for Dudley Zoo and Gardens. To be in with a chance of winning, make sure you colour in the Flip and Dippy Circus show poster and return it to your teacher or the school office by Monday 2nd June. Flip and Dippy will choose their favourite KS1 and KS2 entry.

Our PTA are looking for local businesses, charities and hobbyists for our summer fete marketplace on 12th July. For more details, or to sign up, please complete our booking form: <https://forms.gle/SY3A8LSHPmriTYUs5>

Well done to everyone who took part in the Colour Run this week - particular thanks to everyone who helped set up and run the event. You helped make it a brilliant and bright afternoon for all. Thanks for all the fantastic donations received today for our Summer fete. These will make excellent prizes for our tombola!

**Summer Term -Parent Drop In- Wednesday 2<sup>nd</sup> July- 3.30-5.00pm** this will be an opportunity for you to visit your child's current class, to look at their books, to have an informal conversation with their current class teacher and to say 'goodbye'. It will also give you the chance to visit their new classroom for the next school year and to say 'hello' to their new class teacher. Both children and parents are welcome to attend at any point between the above times.

Thank you for all your kind donations to help the hero's charity, together we raised an impressive £571.94

Have a great break see you on Monday 2nd June,

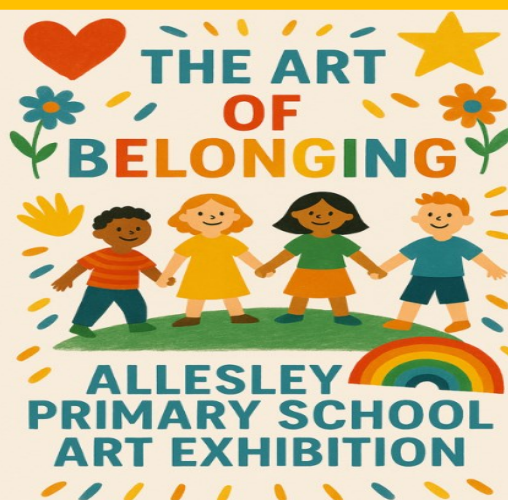

*L Noey*

Headteacher

If you are unable to print off the photograph at home, please email it to [photocomp@allesley.coventry.sch.uk](mailto:photocomp@allesley.coventry.sch.uk) and we can print off the photograph for your child. You will know nearer the time where your child's work will be displayed.

As a school, we would love to show off the community that we live in.

To do this we would love to hold an art exhibition!

# ALLESLEY PRIMARY COLOUR RUN 2025

Thank you ALL  
Runners and Helpers!  
What a brilliant, bright  
afternoon!

George K Year 1	Gorib S Year 6
Hattie M Year 2	

# celebrating our week

In Art, after making a viewfinder, **Year 4** selected a section of a picture of an animal from the rainforest and re-created it, enlarging it to fill the boxes on their paper. They moved the viewfinder and completed 4 different sections using shading and sketching techniques.

This term in **Year 5** we are learning about North America. We found the countries and capital cities in North America using atlases.

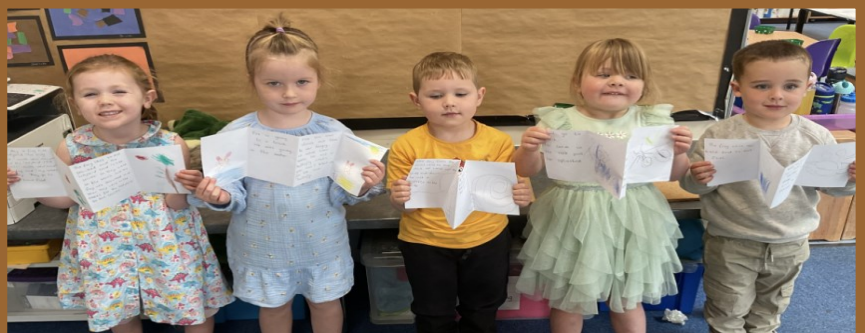

In **Year 3**, we have been looking at pounds and pence in maths. We know that 100p is the same as £1.

**Year 6** had the task to design and create a Maya mask. They can now locate the Maya civilisation in time and place and understand why these masks were used.

This week, **year 1** have been identifying types of trees from their leaves and making their own leaf rubbings.

**Year 2**, this week in Science we looked at what is inside a seed.

The children in **Nursery** made their own zig zag book, then made up a story using a minibeast as their main character. They told the story and drew pictures to go with it. They did a great job.

In **Reception** this week we have been learning about mini beasts. We have done various activities involved in this, including creating our own insects with paint and playdough, Bug hunts, various insect story books and learning lots of facts about different mini beast's.
