Newsletter

Dear Parents, Carers, Children and Staff,

Newsletter Date: 02/05/2025

What a wonderful week of sunshine we have had and a busy start to the term. This week it was an absolute pleasure having our breakfast celebrations with children from across the school. It never ceases to amaze me to see how hard the children are working. But the morning celebrates much more than this, it is a real opportunity for the children to reflect on how they are as an individual within our lovely school, showcasing their individual personalities and how they blossom and grow as the year unfolds. Thank you to everyone who attended, I am sure you will join me in congratulating all the children who had a chance to shine this week!

VE Day Cake sale we will be having a cake sale on the KS2 playground straight after school on Friday 9th May 2025. Cakes will cost 50p and all money raised will be donated to the "Help for Heroes" charity.

We would like to ask you to bring in cake donations for our cake sale. If you are baking your own, be creative and make it VE day themed (maybe add some red, white and blue). Store bought are also welcomed.

Please remember we are a NUT FREE ZONE.

Colour Run Tickets on Sale just a quick reminder that our exciting School Colour Run is on the Tuesday 21st May.

T-Shirt Sales will close 11th May

Ticket Sales will close on 15th May

DON'T MISS OUT! Please remember that all children must wear eye protection glasses during the run for safety reasons. We're also looking for parent volunteers to help on the day with throwing the colour powder and selling refreshments- if you are able to help we would love to hear from you! Thank you for your continued support - we can't wait for a fun and colourful day together

PTA School uniform Remember if you need uniform please email allesleyprimarypta@gmail.com or contact us through Facebook. If you have uniform to donate, please bring it to the school office. Thank you.

As the weather is improving I would like to remind parents that we encourage a Sun Safety policy. On the warmer days please can you apply suncream to your child before they come into school. Please also send a named sunhat in with your child to wear when they are outside. Also, as we encourage children to drink water during the day please can you make sure named water bottles are in school. Thank you.

Have a lovely weekend,

L Hoey

Headteacher

Celebrating our week

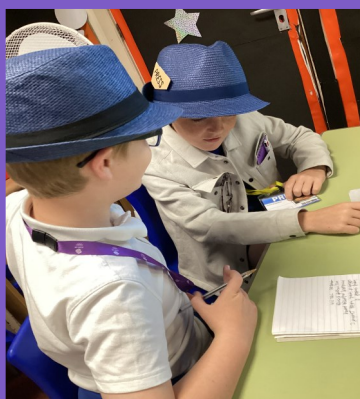

Year 2 had a fantastic week as we went to Twycross Cross Zoo to see all the amazing animals.

This week in Art, Year 4 made a start on their drawings inspired by the rainforest. Using pastels, they created snapshots of plants and animals which will be joined together to make a vibrant, jungle scene. We very much look forward to seeing the completed project.

This week in Reception we got involved with nature makers; we created lots of fun things and joined in with various nature related

Year 1 had a lot of fun doing drama and 'conscience alley' to help a story's character decide whether to join a circus or stay.

HOT OFF THE PRESS! Year 5 came to school as reporters ready to begin our English unit of newspaper reports. They attended a press conference and interviewed each other ready to write quotes.

Year 6 are really proud of their finished mountains. They used lots of skills to produce fantastic models. Well done Year 6!

Year 3 have been using their senses to create a list of beautiful description and have even been trying to use exciting vocabulary.

In Nursery we all had such a great time at our 'Nature Maker' session. We found out about bees, how important they are and how we can help them, we used clay, beans, leaves, and sticks to make our own bee's. We sang songs, found lots of natural objects, played a game and planted some wildflower seeds.
