# Newsletter

Dear Parents, Carers, Children and Staff,

Newsletter Date: 09/05/2025

I would like to say a huge thank you to all of you for your kind contributions for Help for Heroes yesterday. It was lovely to see all the children dress up for Victory in Europe day, they all looked fabulous. All the staff and children looked wonderful in their sky-blue outfits and Coventry kits today in support of the Coventry City Football Club. We would like to wish all the players the very best of luck this evening, we will all be rooting for you all. Play Up Sky Blues!

**VE Day Cake sale** thank you to everyone that kindly donated cakes for today's sale after school. We will let you know on next week's Newsletter how much has been raised for the "Help for Heroes" charity.

**May half term Holiday club for children in Years 1 to 6** The cost is £30 per day, per child

the club will go live today at 4pm on MC@S. Places will be based on a first come first served basis and a waiting list will be available. For more information please see the announcement sent on earlier this week on MC@S. Thank you.

**Summer Term -Parent Drop In- Wednesday 2<sup>nd</sup> July- 3.30-5.00pm** this will be an opportunity for you to visit your child's current class, to look at their books, to have an informal conversation with their current class teacher and to say 'goodbye'. It will also give you the chance to visit their new classroom for the next school year and to say 'hello' to their new class teacher. Both children and parents are welcome to attend at any point between the above times.

**Urgent Appeal for a flat bed Lorry** We are trying to find a flatbed Lorry with sides for the Allesley Festival procession on Saturday 12th July. If you know of anyone who would have public liability insurance and might be able to offer help, please contact the school office or speak to Mrs Edwards on the gate. Thank you in advance.

**As the weather is improving** I would like to remind parents that we encourage a Sun Safety policy. On the warmer days please can you apply suncream to your child before they come into school. Please also send a named sunhat in with your child to wear when they are outside. Also, as we encourage children to drink water during the day please can you make sure named water bottles are in school. Thank you.

Have a great weekend,

*L Noey*

Headteacher

# Be part of the action this year: Sign up for Colour Run 2025 by 15 May

Wow - remember the fun we had last summer!  
Our Colour Run will take place on 21 May after school.  
Time is running out to get tickets for this year's event.  
Visit [www.pta-events.co.uk/allesleypta](http://www.pta-events.co.uk/allesleypta) to book your run slot.

*Remember - it's not a race! The slower you go, the more colourful you'll get!!*

## Summer Clubs

Monday - KS2 Laser Tag - Mr Barker  
 Tuesday - KS2 Girl's Football - Mr Knight  
 Wednesday - KS2 Gymnastics - Mr Barker  
 Thursday- KS2 Boy's Football - Mr Knight  
 Thursday - KS1 Laser Tag - Mr Barker  
 Friday - KS1 Dodgeball - Mr Barker

Week beginning 28th April  
 - 2nd May 2025

Highest Year 6 Mrs  
 Medcraft's class 99.13%  
 Attendance.

Whole school 95.38%

Our school percentage is  
 above the National average

Poppy's thought of the week...

**Good Luck to all our  
 Year 6 children for  
 their SATS's tests next  
 week. We are so very  
 proud of their super  
 attitude, hard work and  
 perseverance preparing  
 for these tests.**

# Happy Birthday!

Thea R Year 2

Ava-Mari B Reception

Theo C Year 1

George R Year 1

Thea W Year 1

Ali A Year 4

# celebrating our week

**Year 5** visited the National Space Centre to consolidate their learning all about space. They had a fabulous time programming Lego Mars rover models using their computing skills and all thoroughly enjoyed the planetarium and other exhibits!

In **Year 3**, we went on a nature walk to look at the plants we could find in the local fields.

Another great Nature Makers session for **Nursery**. The children did leaf rubbing then they collected small and big leaves and flowers and made magic wands!

This week, **Year 1** have been learning all about the structure of a flowering plant after they planted their very own sunflowers. They have created their own 3D flower diagrams which include the roots, stem, leaves and petals.

This week in Science, our **Year 4** children started their new unit of Animals including Humans. For their first lesson, the children acted out how food travels through our digestive systems! The children learnt a lot from this interactive activity and there were a few giggles along the way!

**Year 2** had a visit from Harold who talked to us about our thoughts

The **Reception** children got involved in some VE day celebrations, by creating flags and using blue and red playdough to create their own union jack. We also had an afternoon tea party with cake, scones with jam and cream and 'Tea'.

**Year 6** enjoyed using the climbing apparatus to revise maths and spag skills. We played the game 'floor is lava' while trying to move around and answer a range of questions. We had great fun!
