Dear Parents, Carers, Children and Staff,

Newsletter Date: 27/06/2025

It was so lovely to be able to have parents, grandparents and carers back to celebrate Sports Day this week and our children had a fantastic time competing and having fun! I would like to say a huge thank you to our amazing Year 6 children who ran the morning sports day stations, they are all a real credit to our school. I have to say a big thank you to all our staff for supporting the running of the day and a special thanks goes to Mr Kates for organising such a memorable day for us all! I would also like to mention all the staff who worked so hard behind the scenes to ensure we were all fed and kept cool with ice lollies and cold drinks. Finally, a huge thank you to all of the parents, grandparents, friends and family who came to support the children. Everyone seemed to enjoy the family picnic in the sunshine on the school field. The winning houses were Years 1 - 3 Starley and Years 4 - 6 Starley. Well done to Starley and all of the children who took part!

It will also give you the chance to visit their new classroom for the next school year and to say 'hello' to their new class teacher. Both children and parents are welcome to attend at any point between the above times.

Hot Weather next week due to predicted temperatures set to reach over 30 degrees please can we ask that you apply sun cream before children come into school and ensure they bring a named hat and a refillable water bottle. Children will be limited on the amount of time they spend outdoors and will be encouraged to sit in the shade. On Monday and possibly other days depending on the temperature, we have decided that the kitchen will be slightly off menu and will be serving a cold packed lunch with the option to have chicken goujons or a vegetarian alternative as well. celebrating our week

Year 6 were visited by the Belgrade theatre with their interactive performance of 'Big School'. The children thought carefully about the character Mo's feelings and gave some good advice on how to cope with changes. We will be visiting some of their thoughts in our transition work, so they feel a little more at ease about secondary.

This week in **Year 4** French lessons, the children have been continuing with their unit on 'En classe' ('The Classroom') and have worked hard to translate a paragraph from French into English. They have been working hard to learn the names of different classroom objects in French!

After practising their hammering skills the children in **Nursery** have started to use their woodwork skills to make a model.

In theme this week **Year 2** used Atlases to locate islands around the United Kingdom.

As part of our focus on school values, **year 5** have had a positivity treat where they learnt how to whittle a stick to toast a marshmallow with. They also played traditional games both inside and outside.

Year 3, have had such a fun time at the Cotswold wildlife trip. We have learnt lots about the life cycles of emus, wallabies and monkeys.

Reception Pirate Wow! day. The children had an amazing day celebrating pirate/princess day, they all looked wonderful in their outfits. We got involved with lots of fun pirate related activities throughout day.

This week, **Year 1** have been planning their letters to Paddington to tell him about our circus day.
