Dear Parents, Carers, Children and Staff,

I am really looking forward to judging the scarecrows tomorrow morning. We have been really busy in school creating our own scarecrows and I would like to say a huge well done to all the children and staff who took the time to get very creative! I am also looking forward to going to All Saints Church and Earlsdon Library to look at the children's art that was created for Miss Thomas' art competition. I hope you get a chance over the weekend to see all the scarecrows and visit the church or the library to see all the children's beautiful pieces of art too.

Let's Celebrate Allesley Festival@50 Look out for scarecrows around the village from TOMORROW! Get your scarecrow trail for just £2 from Allesley Post Office who also have badges to buy for £1! Nature makers and the Artshed are running children's events over the weekend - see our magazine and Facebook page for details. celebrating our week

This week in **Reception** we have continued our learning about pirates. This week's focus has been around following routes and maps. The children have enjoyed tea staining and making their own treasure maps.

In **Year 5** we have been revisiting simple, compound and complex sentences in English this week and punctuating them correctly.

Year 1 had a lovely time designing, making and evaluating bunting inspired by our Circus theme.

Last week, **Year 6** had a lovely time at Cadbury's world learning about the Maya. They seem to have had a great time on transition at their new secondary schools, which is fantastic news!

Year 3 have been working on their shading skills to add different tones to a picture.

This week in **Year 2** the children have enjoyed writing their non chronological reports about animals.

The **Nursery** children really enjoyed their Sports day and were truly wonderful.

This week in **Year 4** the children have been using glue batik in their Art lessons to create a rainforest animal pattern on fabric. This work was inspired by William Morris and his love for nature in his work.
