Dear Parents, Carers, Children and Staff,

We've had a wonderfully busy week here at Allesley, filled with energy and excitement. This week marked the start of our awards assemblies, and it has been truly heartwarming to celebrate the children's achievements together. I'm incredibly proud to hear how well the children have settled into the new term and how positively they are embracing their learning.

Teachers across the school have shared how impressed they are with the way children are living out our school values – honesty, positivity, perseverance, respect, compassion, and independence – not just in their learning, but in their play too. It's so lovely to hear these values shining through in everything they do.

I'm also really looking forward to reading the letters from our Year 6 pupils who are applying to become House Captains. Good luck to everyone who is putting themselves forward! And remember – there will be plenty of other exciting student leadership opportunities coming up very soon.

Our Year 6 children will be visiting Dol-y-Moch from Sunday 15th March-Thursday 19th March

MCAS App all new parents should have now received a letter with information on how to activate the app. Please contact the school office if you have any problems.

PTA we're now busy planning our Halloween Disco Wednesday 22nd October and Christmas Fete on Friday 28th November (save the date!). If you can spare even 30 minutes to help at these events, please do get in touch – every bit of help makes a difference. allesleyprimarypta@gmail.com

Have a great weekend,

L. Hoey

Headteacher

A huge thank you to everyone who has already sponsored! We're really looking forward to welcoming our GB athlete next Friday. Just a reminder that all sponsorship money needs to be back in school by Friday, 3rd October. Thanks so much for your support!

Have you heard?
Team GB Judoka
NEKODA SMYTHE-DAVIS
 is coming to our school

 Search our school

- Get the children moving in a fun fitness circuit
- Witness the strength, talent & resilience of a top athlete
- Raise money for new sports equipment

There is a child in school who has a severe allergy to peanuts/nuts. It is important that we avoid this food in school to prevent a serious allergic reaction. We are asking that you do not send any peanut or nut containing products to school with your child for the break time snacks, in their lunchboxes or at any other times. Thank you.

New Clubs

Autumn 1 clubs:

Monday - Nerf - KS2—Mr Barker
Tuesday - Girl's Football - KS2
Wednesday - Multisport (cricket, tennis, hockey, Dodgeball, volleyball)- KS2 Mr Barker
Thursday- Boy's Football - KS2 - Mr Knight
Thursday - Nerf - KS1 - Mr Barker
Friday - Football - KS1 - Mr Barker

These clubs will run right up until half term.

Poppy's thought of the week...

All things are difficult before they are easy

Celebrating our week

Year 6 have been learning about how and why we classify living things. This week they made their own classification key with questions to classify sweets. Their favourite part was eating them at the end!

The children have settled in to **Nursery** very well and they are enjoying playing in all the different areas, particularly the mud kitchen.

In Science this week, **Year 4** learnt how sound is made. We went to various locations around the school and focused on listening to the different sounds we could hear around us then produced a poster showing what we had heard.

The **Reception** children have been learning about themselves and their family. The children were asked to use paints to create a self portrait of themselves. They had a choice from various skin tones, hair colours and eye colours to choose from.

Year 5 have been learning about the music of South and West Africa. We learnt to sing "Shosholoza" and play a chord on the glockenspiel together.

This week, **Year 1** have been Autumn spies and explored the school grounds looking for signs of Autumn.

This week in **Year 2**, we were practicing our throwing and catching skills in PE with Mr Barker.

Year 3 children have been enjoying their Friday afternoon swimming lessons, it's week 2 and they have finished their water assessments ready for learning.
