

Newsletter

Dear Parents, Carers, Children and Staff,

Newsletter Date: 05/12/2025

It was wonderful to see so many friends and families join us for our Christmas performances and craft activities. I was absolutely blown away by the children's singing and their confidence to perform in front of such a large audience!

A very special thank you and well done to our amazing House Captains. You have stepped up to so many challenges over the last few weeks and have truly shone like twinkling Allesley stars. I am so proud of each and every one of you!

And the festive fun isn't over yet! Next week, the whole school can look forward to:

- **Reception's Nativity Play** – a magical performance from our youngest stars.
- **Carols on the Playground** – join us for some festive singing and community spirit.
- **Christmas Jumper Day** – show off your festive style!
- **Christmas Dinner Day** – a delicious meal to celebrate together.

And much, much more!

Thank you for your continued support in making this season magical for our children.

A huge thank you to all the families and friends who came to our wonderful Christmas Fete. As a school we are extremely lucky to have such a hardworking and dedicated PTA, they always go above and beyond to support our school. We are also extremely grateful for all your generous contributions to our Shhhh Room. This is such a special and exciting experience for all the children from across the school, which really makes us all remember what a special time Christmas really is! I would like to thank Mrs McKeon in particular for organising this, as she has put so much time and effort into this experience for the children, as well as raising more money for our lovely school. We are very lucky to have such a dedicated, caring lady in our team!

Good Luck to Bella G from Year 6 who is fighting for the XFT British title in Muay Thai tomorrow and her brother Archer G in Year 3 who is also fighting for the Allstars Brazilian Jujitsu Championships!

The family information service offers a wealth of information and support to families in our area. Please visit the website for more information: <https://cid.coventry.gov.uk/kb5/coventry/directory/home.page>

Have a great weekend,

L Hoey

Headteacher

celebrating our week

In **Year 3**, we have been learning about ancient Egyptian beliefs of the after life. In Egyptian fashion, we mummified tomatoes to understand why they chose this process.

This week, **Year 1** have been measuring Autumn rainfall. We made rain gauges and predicted how much rain we would receive over two weeks. Today, Year 1 measured the rainfall our gauges collected.

Reception Ed the Elf came to visit us at the start of the week! He has been doing some very cheeky things around the classroom!

This week, **Year 2** looked at what makes us healthy in Science. We discussed lots of topics, including exercise, sleep, and healthy eating. The children shared their own ideas about staying healthy and asked thoughtful questions.

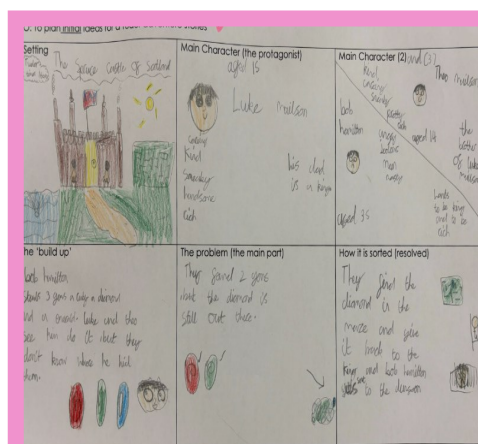

This week in design and technology, **Year 5** have made vegetable soup. We learnt how to chop a variety of vegetables safely using the claw or bridge method. When it was cooked we all tasted the healthy, delicious soup.

In **Year 6** Mr Lapworth played a theme on his guitar and the children began to vary this theme by adding layer to it. The theme was built up and we all really enjoyed performing.

Nursery Christmas Spectacular was a great success! The children did a wonderful job of singing Christmas songs on the stage. They then enjoyed different Christmas crafts with their grown ups in Nursery.

After reading *The Secret Diary of Thomas Snoop*, in English, **Year 4** have been planning and then writing their Tudor Adventure Stories, using all the skills they have learnt so far this year. These include, direct speech, prepositional phrases and co-ordinating conjunctions to keep the story moving along.
