

Newsletter

Dear Parents, Carers, Children and Staff,

Newsletter Date: 30/01/2026

Happy Friday to you all. Although it is still very cold, it's lovely seeing some sunshine appear outside. It has us all here in school looking forward to Spring. Today our wonderful house captains delivered an assembly to Years 1 to 6 about positive relationships and bullying. They did an amazing job. They talked about what bullying is, what to do if you see bullying and the different types of bullying. They also focused on the positive aspects of relationships and why it is important to have good friendships. I have no doubt we will see all of these positive behaviours around our school as we always do. It is so important for our children to be showing our school values and treating each other with kindness and respect and also most importantly for them to know that there is always someone for them to talk to in school.

Thank you to all of the children who have been making their energy saving changes last week, to help save our planet. Miss McKelvie will be coming round next week with all of the certificates and stickers for those who brought back their forms. Let's see if we can keep up these changes and reduce our energy use to take care of our planet. Well done Allesley!

Warwick Castle Year 1 Trip To support our theme work for this term, we would like to take the children in Year 1 for a visit to Warwick Castle on **Monday 23rd March**. We would like to ask for a contribution of £18.50 from each child to cover the cost of the transport and a 'Castle Life Tour' Can we please ask that full payment is made by **Monday 9th March**. You can make payment via our 'My Child at School' online payment system.

Save the date! PTA Easter Disco will be on Thursday 26th March at The Jaguar Social Club. More details to come.

Dinner money please make sure your child's dinner money is up to date. We would like to take this opportunity to remind all parents/carers that school dinners must either be paid for on the day the school dinner is taken or in advance. You can also pay half termly or termly.

Miss Dunn from Reception will be running the Warwick half marathon on Sunday to raise money for Myton Hospice. If you would like to sponsor her then please click on this link: https://www.justgiving.com/page/rachel-dunn-6?utm_medium=FR&utm_source=CL

Allesley Festival needs volunteers, do you have ideas, skills or even just a little time to give - whether as a one off or more regularly? If you are interested please attend the meeting at the village hall on Tuesday 3rd February at 7.30pm any questions please call 07745954386 or email allesleyfest@gmail.com

Have a lovely weekend,

L Hoey

Headteacher

Spelling Shed

A very big well done to **Group 2 spellers in Year 5** this week for all putting in so much effort at home!

We are very proud of you all for working as a team to complete your spelling assignments!

Don't forget to keep logging in regularly as this will help you with your own spellings and also boost your whole class score

Year 6 have enjoyed a morning of athletics at the Excel centre. They represented the school fantastically and came in second place. Well done to all involved!

Celebrating our week

This week, Year 2 have completed some fantastic recount writing about our Science WOW Day last Thursday. They showed great enthusiasm and confidently used a range of skills they have been taught, including sequencing events and descriptive language. Their progress and effort were clear in every piece of work, and they should be very proud of what they achieved.

Year 5 have been conducting science experiments to figure out the affect that the shape of an item has on water resistance.

In Nursery as part of our Physical Development we have been drawing with chalk whilst lying on our tummies to help build arm strength.

This week the Reception children have been learning about the 3 little pigs. They have been getting involved with various activities to do with this, we have created lots of different crafts; making their houses with materials and paper plate pigs.

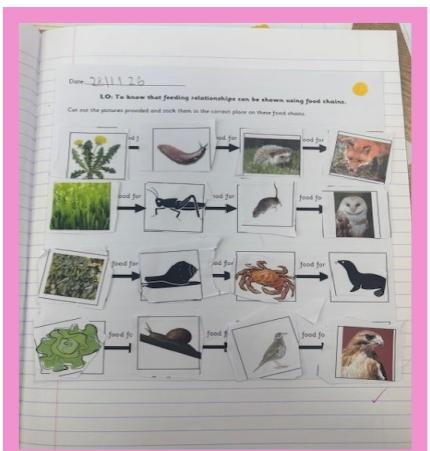

This week, Year 1 have been making their own tree of life sculpture. They have been applying their paper folding and shaping skills to create living things to add to our sculpture.

Year 6 are using the book Varmints by award-winning Helen Ward as inspiration for journalistic writing. They watched a short film after reading the book as there was more visual inspiration for their individual reports.

As part of our Vikings and Anglo Saxons theme work, Year 4 designed a personal profile of themselves as a Viking. They researched their Saxon name, decided which tribe they belonged to and their reason for being in England.

This week in Year 3 Science, we looked at food chains and how they work. We created our own food chains and put the animals, plants and insects in the right order.
