Dear Parents, Carers, Children and Staff,

Newsletter Date: 6/02/2026

It was an absolute pleasure to watch some of our children in Key Stage 2 taking part in their dance session with Ricky Dance today. The coordination, confidence, and enthusiasm they showed were wonderful to see. It was clear how much they enjoyed the experience, and how proud they were of the routines they had learned. Moments like these really highlight the joy of creative expression and the value of giving our children opportunities to shine.

We would like to say a special thank you to Ricky, whose passion for dance is truly infectious. His energy, encouragement, and ability to bring out the best in every child make these sessions not only fun but also incredibly rewarding. We are so grateful for the positive impact he continues to have on our children at Allesley!

If you think dogs can't count,

# Celebrating our week

Year 4 have been making a huge effort to learn their times tables - and their hard work is paying off! They have all greatly improved in both speed and accuracy and we are very proud of them. Well done year 4!

After reading Goldilocks and the Three Bears the children in Nursery enjoyed making porridge, choosing their topping and then eating it. It was "just right".

Year 5 have enjoyed experimenting with play dough to find out how water resistance works.

Year 1 had so much fun baking cakes for our English instructions work! We couldn't wait to taste them!

This week, Year 2 have become experts on different world habitats. They had impressive knowledge about which animals and plants we might find in the Arctic, in rainforests, in the desert and in the ocean.

This week the Reception class had Jill Purser come in to visit the children and teach us some lovely dancing! We showed great listening skills and super moves to the actions given.

Year 6 are learning about Christianity and is anything is ever eternal? This week, we learnt about God's forgiveness if people show the fruits of the spirit which are love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control.

Year 3 have been practising their gymnastics routines this week, focussing on balance and control.
