Dear Parents, Carers, Children and Staff,

A huge thank you to all the parents who attended Parents' Evening this week. It was truly lovely to have you in school and to see so many of you engaging with teachers, celebrating your children's achievements, and discussing their next steps. We always value the opportunity to share the wonderful progress the children are making, and your commitment and partnership play such an important role in their success. The positive conversations, supportive comments, and genuine interest you showed made the evenings a real pleasure.

Thank you once again for taking the time to come in – your support means so much to us and to the children.

Save the date Year 5 parents the dol-y-moch trip for when your children will be in Year 6 is planned for Friday 6th to Tuesday 10th November 2026.

PTA Easter Disco, don't forget to get your tickets! Thursday 26th March at The Jaguar Social Club. Tickets are on sale on <https://www.pta-events.co.uk/allesleypta>. We also need parent helpers for the disco's if you are able to help please email allesleyprimarypta@gmail.com

Parking there are continuing problems with parking in the mornings and afternoons. A number of parents and carers have raised concerns about careless and dangerous parking on the roads around school. In the best interests of the childrens safety, I would ask all adults dropping off and collecting children to take great care. At Allesley we have always prided ourselves on our relationship with the local community. I would urge all parents and visitors to school to park considerately to help maintain the good relationships with our neighbours.

Year 5 & 6 are excited to hold a cake sale on Wednesday 11th March to raise money for dyslexia-friendly books in school. Dyslexia affects around 10-15% of people worldwide, meaning it impacts millions of families and plays a significant role in schools and communities across society. We would like to raise awareness of Dyslexia in school and help to support our lovely children with resources which will help them to feel included and able to learn effectively.

Have a lovely weekend,

L Hoey

Headteacher

Braiswick Photography will be in school on Wednesday 15th April class and year 6 leavers

Spelling Shed

A great big congratulations goes to **all of Year 5** for a superb joint effort this week! There were so many 'Royal Bees' in both classes! Amazing - well done children!

Don't forget to keep logging in regularly as this will help you with your own spellings and also boost your whole class score

World Book Day

Thank you to everyone who designed and made a fabulous wooden spoon book character for World Book Day this week! The children were all so proud of their lovely creations and we can't wait to put them on show around school for everyone to see.

Mrs Hoey had the hard job of choosing the winners from each year group as they were all so fantastic! Well done to the winners...

Reception winner
Evie

Year 1 winner
Holly

Year 2 winner
Alex

Year 3 winner
Emily

Year 4 winner
Bella

Year 5 winner
Dolly

Year 6 winner
Ben

Coventry Complex Communication Team will be delivering a series of 6 free workshop sessions aimed at parents and carers of children and young people on the Autism spectrum and with complex communication needs

Each session will be delivered virtually through Microsoft Teams and presented by a specialist practitioner in the field of Autism and complex communication needs. There will be a series of sessions focusing on a range of topics, which include:

- **Week 1- Thursday 5th March 2026: Understanding your child and their Autism**
- **Week 2 – Thursday 12th March 2026: Supporting your child with self-care and independence**
- **Week 3 – Thursday 19th March 2026: Supporting your child and their sensory processing differences**
- **Week 4 – Thursday 26th March: Supporting your child and their behaviours**
- **Weeks 5 & 6 Supporting your child with their learning & Supporting your child with transitions** – these sessions will be in a recorded format and sent out to parents and carers due to the Easter holiday

The aim of each session will be to:

- To raise an awareness of how Autism/Complex Communication Needs can affect your child
- To develop a shared understanding of some of the challenges that our children face, and the strengths they can bring
- To increase your confidence in understanding and supporting your child
- To build up a bank of ideas and strategies that can be used to support your child

All sessions are 2.00pm-3.00pm. Whilst we appreciate you may not be able to attend every session due to work/family commitments; the expectation is that you **must** attend week one as this provides the foundation for the remaining sessions, and that you are able to commit to at least three of the following sessions. There are weekly advice clinics that accompany each session where you have an allocated slot to ask specific questions relating to your child.

Please book your place here: <https://bookwhen.com/parent-carer-training-sessions>

Once you have booked you will receive MS Teams invitations for each individual session.

New Spring clubs

Monday - Girl's Football - KS2- Mr Knight - (none 16.3.26 Dol y Moch)
 Monday - Gymnastics - KS1 - Mr Barker - (none 16.3.26 Dol y Moch)

Celebrating our week

Year 5 have been learning that music can be represented with colours. We talked about the Hindu festival of Holi, where coloured paint is thrown about and watched a video about synaesthesia.

The Reception class have been learning about Chinese new year this week, learning about the race and the animals in the zodiac. We enjoyed doing a dragon dance to Chinese celebration music.

This week in Year 2 we have been writing our own fairy tale stories based on *The Three Little Pigs* and *the Big Bad Wolf*. The children did an excellent job and really enjoyed creating their own versions of the story.

Year 6 have been exploring the art of working with mod roc, creating impressive mountain models in their groups. Each team chose to design either a fold, fault-block, volcanic, or dome mountain.

They have been studying the unique features of each type of mountain and thoughtfully incorporating their knowledge into their designs — carefully moulding summits, steep sides, valleys, ridges, and slopes. The creativity, teamwork, and attention to detail have been incredible. Well done, Year 6!

In Nursery we have continued our learning of 'We're going on a bear hunt'. Look at all of the story maps and photos of other activities we have done!

Year 4 had a great day today for World book day. We shared our favourite books with each other, saying what we liked or disliked and why they felt it was a good read.

Max E also brought in a book he had written and illustrated at home and shared it with the class. We all agreed it was a great story. Well done Max!

Year 1 enjoyed spotting animals around the playground and deciding which animal group they belonged to!

Year 3 have been working on their dance skills this week. We have loved working on our breakdance/hip hop style of moving.
